

CODE: **AWO656** v.1.0/III
 NAME: **Universal enclosure TUN-6 640x480x180**

EN**

APPLICATION

Thanks to its design, the **TUN 656** enclosure can be used as an element integrating TV / SAT installations, (multiswitch, amplifier, splitters and taps), CCTV, Access Control Systems (ACS), Intrusion Detection Systems (IDS), automation systems e.g. It is dedicated for unique installations, where the arrangement and mounting is determined by the installer, while the installation time and ease of installation - obtained by convenient mounting of the device using screws - are of key importance.

TECHNICAL PARAMETERS

External dimensions of the enclosure:	W=640, H=480, D+D1=180+14 [+/-2 mm]
Assembly plywood dimensions:	W1=570 H1=380 [+/-2 mm]
Working depth:	D2=160 [+/-2 mm]
Weight net/gross:	7,85kg / 8,70kg [+/-0,1kg]
Operating environment:	class II, -10°C+ 40°C
Material description:	Finish: electrolytic galvanized sheet DC01, 3µm zinc coating Corrosion protection: polyester paint, industrial use, color RAL9003 (white) Assembly plywood 6mm thick (waterproof)
Application:	Indoor / Surface-mounted
Closing:	lock - lock with the same code - RAZB16
Notes:	- distance from the wall 14mm - Left- or right-sided door installation
Warranty:	3 year from the production date
