## NATIONAL CERTIFICATE OF CONSTANCY OF PERFORMANCE NO. 063-UWB-0174

In accordance with the regulation of the Minister of Infrastructure and Construction of 17 November 2016 on the manner of declaring the performance of construction products and the method of marking them with a construction mark (Dz. U. poz. 1966, z 2018 r., poz. 1233), this certificate applies to a construction product:

**Shields for protection of power cables, control cables and communication cables and their connections (installation boxes) – for applications subject to fire resistance requirements – PULSAR fire protection installation boxes type AWOZ and AWOP in varieties: AWOZ-125P, AWOZ-125P1A, AWOZ-125S, AWOZ-125S1A, AWOZ-225P, AWOZ-225S, AWOP-225PR, AWOP-225SR, AWOP-325PR, AWOP-360PR, AWOP-425SR, AWOP-625PP, AWOP-925PP, AWOP-960PP with the function of supporting electrical functions E30, E60 and E90 (according to DIN 4102-12:1998)**

<with technical characteristics described in point 1 of the national technical assessment, with the purpose, scope and conditions of use described in point 2 of the national technical assessment and performance of the product mentioned in point 3 of the national technical assessment>

covered by the national technical assessment:

**CNBOP-PIB-KOT-2019/0109-3704 3<sup>rd</sup> edition dated 23.05.2019**

placed on the market under the manufacturer's name or trademark:

**PULSAR K. Bogusz sp. j.  
Siedlec 150  
32-744 Łapczyca**

and manufactured in the manufacturing plant:

**PULSAR K. Bogusz sp. j.  
Siedlec 150  
32-744 Łapczyca**

This certificate confirms that all provisions resulting from 1+ national system regarding assessment and verification of constancy of performance in relation to the declared performance of the product related to its intended use set out in this certificate are applicable and that:

**the Manufacturer has implemented factory production control system to ensure that these properties are maintained.**

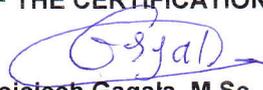

This certificate issued for the first time on 24.05.2019 remains in force until 28.03.2024 provided that the Manufacturer complies with the requirements contained in the agreement No. 37/DC/B/2019 of 24.05.2019 and as long as the national technical assessment of the product, the methods of assessment and verification of constancy of performance, the construction product itself and the conditions for its production remain unchanged, and that it is not suspended or withdrawn by an accredited certification body.

Certificate issue number: 01

Issue date: 24.05.2019
